

89bio Announces Pricing of Upsized Public Offering of Common Stock

September 17, 2020

SAN FRANCISCO, Sept. 16, 2020 (GLOBE NEWSWIRE) -- 89bio, Inc. (Nasdaq: ETNB), a clinical-stage biopharmaceutical company focused on the development and commercialization of innovative therapies for the treatment of liver and cardio-metabolic diseases, today announced the pricing of an upsized underwritten public offering of 3,300,000 shares of its common stock at a public offering price of \$28.00 per share. 3,025,000 shares are being offered by 89bio, and 275,000 shares are being offered by a selling stockholder. The gross proceeds of the offering to 89bio, before deducting the underwriting discount and other offering expenses payable by 89bio, are expected to be approximately \$84.7 million. In addition, 89bio has granted the underwriters a 30-day option to purchase up to an additional 495,000 shares of common stock, at the public offering price, less the underwriting discounts and commissions. 89bio will not receive any proceeds from the sale of shares of the company's common stock by the selling stockholder. The offering is expected to close on September 21, 2020, subject to the satisfaction of customary closing conditions.

BofA Securities, SVB Leerink and RBC Capital Markets are acting as lead book-running managers for the offering. Raymond James is also acting as a book-running manager for the offering. BTIG, LLC is acting as co-manager for the offering.

Forward-Looking Statements

Certain statements in this press release may constitute "forward-looking statements" within the meaning of the federal securities laws, including, but not limited to, 89bio's expectations regarding the consummation of the offering and the satisfaction of customary closing conditions with respect to the offering. Words such as "may," "might," "will," "objective," "intend," "should," "could," "can," "would," "expect," "believe," "design," "estimate," "predict," "potential," "develop," "plan" or the negative of these terms, and similar expressions, or statements regarding intent, belief, or current expectations, are forward looking statements. While 89bio believes these forward-looking statements are reasonable, undue reliance should not be placed on any such forward-looking statements, which are based on information available to us on the date of this release. These forward-looking statements are based upon current estimates and assumptions and are subject to various risks and uncertainties (including, without limitation, those set forth in 89bio's filings with the SEC), many of which are beyond 89bio's control and subject to change. Actual results could be materially different. Risks and uncertainties include: changes as a result of market conditions or for other reasons, the risk that the offering will not be consummated, and the impact of general economic, health, industrial or political conditions in the United States or internationally; and other risks and uncertainties identified in 89bio's Annual Report on Form 10-K for the year ended December 31, 2019 and its Quarterly Report on Form 10-Q for the quarter ended June 30, 2020 and other subsequent disclosure documents filed with the SEC. 89bio claims the protection of the Safe Harbor contained in the Private Securities Litigation Reform Act of 1995 for forward-looking statements. 89bio expressly disclaims any obligation to update or alter any statements whether as a result of new information, future events or otherwise, except as required by law.
