**PROXY STATEMENT
FOR THE 2021 ANNUAL MEETING OF STOCKHOLDERS**

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND VOTING

What Is the Purpose of These Proxy Materials?

We are making these proxy materials available to you in connection with the solicitation of proxies by the Board of Directors (the “Board”) of 89bio, Inc. (“we,” “us,” “our” or the “Company”) for use at the 2021 Annual Meeting of Stockholders (the “Annual Meeting”) to be held virtually on June 2, 2021 at 9:00 a.m. Pacific Time, or at any other time following adjournment or postponement thereof. You are invited to participate in the Annual Meeting and to vote on the proposals described in this Proxy Statement. The proxy materials are first being made available to our stockholders on or about April 15, 2021.

Why Did I Receive a Notice of Internet Availability?

Pursuant to U.S. Securities and Exchange Commission (“SEC”) rules, we are furnishing the proxy materials to our stockholders primarily via the Internet instead of mailing printed copies. This process allows us to expedite our stockholders’ receipt of proxy materials, lower the costs of printing and mailing the proxy materials and reduce the environmental impact of our Annual Meeting. If you received a Notice of Internet Availability of Proxy Materials (the “Notice”), you will not receive a printed copy of the proxy materials unless you request one. The Notice provides instructions on how to access the proxy materials for the Annual Meeting via the Internet, how to request a printed set of proxy materials and how to vote your shares.

Why Are We Holding a Virtual Annual Meeting?

We have adopted a virtual meeting format for the Annual Meeting to provide a consistent experience to all stockholders regardless of geographic location. We believe this expands stockholder access, improves communications and lowers our costs while reducing the environmental impact of the meeting. Utilizing a virtual meeting format is particularly important to protect our stockholders and employees in light of the public health and safety considerations posed by the ongoing coronavirus (COVID-19) pandemic. In structuring our virtual Annual Meeting, our goal is to enhance rather than constrain stockholder participation in the meeting, and we have designed the meeting to provide stockholders with the same rights and opportunities to participate as they would have at an in-person meeting.

Who Can Vote?

Only stockholders of record at the close of business on April 8, 2021 (the “Record Date”) are entitled to notice of, and to vote on, the proposals described in this Proxy Statement at the Annual Meeting. At the close of business on the Record Date, 20,034,830 shares of our common stock were issued and outstanding.

What Is the Difference between Holding Shares of Common Stock as a Registered Stockholder and as a Beneficial Owner?

Registered Stockholder: Shares of Common Stock Registered in Your Name

If your shares of common stock are registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, LLC, you are considered to be, with respect to those shares of common stock, the registered stockholder, and these proxy materials are being sent directly to you by us.

Beneficial Owner: Shares of Common Stock Registered in the Name of a Broker, Fiduciary or Custodian

If your shares of common stock are held by a broker, fiduciary or custodian, you are considered the beneficial owner of shares of common stock held in “street name,” and these proxy materials are being forwarded to you from that broker, fiduciary or custodian.

How Can I Participate in the Virtual Annual Meeting?

Stockholders of record as of the close of business on the record date are entitled to participate in and vote at the Annual Meeting. To participate in the Annual Meeting, including to vote, ask questions and view the list of registered stockholders as of the record date during the meeting, stockholders of record should go to the meeting website at www.virtualshareholdermeeting.com/ETNB2021, enter the 16-digit control number found on your proxy card or Notice, and follow the instructions on the website. If your shares are held in street name and your voting instruction form or Notice indicates that you may vote those shares through www.proxyvote.com, then you may access, participate in and vote at the Annual Meeting with the 16-digit access code indicated on that voting instruction form or Notice. Otherwise, stockholders who hold their shares in street name should contact their bank, broker or other nominee (preferably at least five days before the Annual Meeting) and obtain a “legal proxy” in order to be able to attend, participate in or vote at the Annual Meeting.

We will endeavor to answer as many stockholder-submitted questions as time permits that comply with the Annual Meeting rules of conduct. We reserve the right to edit profanity or other inappropriate language and to exclude questions regarding topics that are not pertinent to meeting matters or Company business. If we receive substantially similar questions, we may group such questions together and provide a single response to avoid repetition.

The meeting webcast will begin promptly at 9:00 a.m. Pacific Time. Online check-in will begin approximately 15 minutes before then, and we encourage you to allow ample time for check-in procedures. If you experience technical difficulties during the check-in process or during the meeting, please call the number listed on the meeting website for technical support. Additional information regarding the rules and procedures for participating in the Annual Meeting will be set forth in our meeting rules of conduct, which stockholders can view during the meeting at the meeting website. Regardless of whether you plan to participate in the Annual Meeting, it is important that your shares be represented and voted at the Annual Meeting. Accordingly, we encourage you to vote in advance of the Annual Meeting. Each stockholder may appoint only one proxy holder or representative to attend the meeting on his or her behalf.

What Am I Voting on?

The proposals to be voted on at the Annual Meeting are as follows:

- (1) Election of the two Class II director nominees named in the Proxy Statement to serve until the 2024 Annual Meeting of Stockholders and until their successors are duly elected and qualified (“Proposal 1”); and
- (2) Ratification of the selection of KPMG LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2021 (“Proposal 2”).

How Does the Board Recommend That I Vote?

The Board recommends that you vote your shares of common stock “FOR” each director nominee in Proposal 1 and “FOR” Proposal 2.

What If Another Matter Is Properly Brought before the Annual Meeting?

As of the date of filing this Proxy Statement, the Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named as proxies in the proxy card to vote on such matters in accordance with their best judgment.

How Many Votes Do I Have?

Each share of common stock is entitled to one vote on each proposal to be voted on at the Annual Meeting.

What Does It Mean If I Receive More Than One Set of Proxy Materials?

If you receive more than one set of proxy materials, your shares of common stock may be registered in more than one name or held in different accounts. Please cast your vote with respect to each set of proxy materials that you receive to ensure that all of your shares of common stock are voted.

How Do I Vote?*Registered Stockholder: Shares of Common Stock Registered in Your Name*

If you are the registered stockholder, you may vote your shares online during the virtual Annual Meeting or by proxy in advance of the Annual Meeting by Internet or, if you requested paper copies of the proxy materials, by completing and mailing a proxy card or by telephone. Even if you plan to attend the Annual Meeting, we recommend that you also submit your vote in advance so that your vote will be counted if you later decide not to, or are unable to, virtually attend the Annual Meeting.

Beneficial Owner: Shares of Common Stock Registered in the Name of a Broker, Fiduciary or Custodian

If you are the beneficial owner, you may vote your shares online during the virtual Annual Meeting or you may direct your broker, fiduciary or custodian how to vote in advance of the Annual Meeting by following the instructions they provide.

See “How Can I Participate in the Virtual Annual Meeting” above for information on how to access and participate in the Annual Meeting.

What Happens If I Do Not Vote?*Registered Stockholder: Shares of Common Stock Registered in Your Name*

If you are the registered stockholder and do not vote by attending the Annual Meeting virtually, vote by proxy using the enclosed proxy card or vote by proxy via telephone or the Internet, your shares of common stock will not be voted at the Annual Meeting and will not be counted toward the quorum requirement.

Beneficial Owner: Shares of Common Stock Registered in the Name of a Broker, Fiduciary or Custodian

If you are the beneficial owner and do not direct your broker, fiduciary or custodian how to vote your shares of common stock, your broker, fiduciary or custodian will only be able to vote your shares with respect to proposals considered to be “routine.” Your broker, fiduciary or custodian is not entitled to vote your shares with respect to “non-routine” proposals, which we refer to as a “broker non-vote.”

What If I Sign and Return a Proxy Card or Otherwise Vote but Do Not Indicate Specific Choices?

Registered Stockholder: Shares of Common Stock Registered in Your Name

The shares of common stock represented by each signed and returned proxy will be voted at the Annual Meeting by the persons named as proxies in the proxy card in accordance with the instructions indicated on the proxy card. However, if you are the registered stockholder and sign and return your proxy card without giving specific instructions, the persons named as proxies in the proxy card will vote your shares in accordance with the recommendations of the Board. Your shares will be counted toward the quorum requirement.

Beneficial Owner: Shares of Common Stock Registered in the Name of a Broker, Fiduciary or Custodian

If you are the beneficial owner and sign and return your voting instruction form without giving specific instructions, your broker, fiduciary or custodian will only be able to vote your shares with respect to proposals considered to be “routine.” Your broker, fiduciary or custodian is not entitled to vote your shares with respect to “non-routine” proposals, resulting in a broker non-vote with respect to such proposals.

Can I Change My Vote after I Submit My Proxy?

Registered Stockholder: Shares of Common Stock Registered in Your Name

If you are the registered stockholder, you may revoke your proxy at any time before the final vote at the Annual Meeting in any one of the following ways:

- (1) You may complete and submit a new proxy card, but it must bear a later date than the original proxy card;
- (2) You may submit new proxy instructions via telephone or the Internet; or
- (3) You may vote by attending the Annual Meeting virtually. However, your virtual attendance at the Annual Meeting will not, by itself, revoke your proxy.

Your last submitted vote is the one that will be counted.

Beneficial Owner: Shares of Common Stock Registered in the Name of a Broker, Fiduciary or Custodian

If you are the beneficial owner, you must follow the instructions you receive from your broker, fiduciary or custodian with respect to changing your vote.

What Is the Quorum Requirement?

The holders of a majority of the shares of common stock outstanding and entitled to vote at the Annual Meeting must be present at the Annual Meeting, either virtually or represented by proxy, to constitute a quorum. A quorum is required to transact business at the Annual Meeting.

Your shares will be counted toward the quorum only if you submit a valid proxy (or a valid proxy is submitted on your behalf by your broker, fiduciary or custodian) or if you attend the Annual Meeting virtually and vote. Abstentions and broker non-votes will be counted toward the quorum requirement. If there is no quorum, the chairman of the Annual Meeting or the holders of a majority of shares of common stock virtually present at the Annual Meeting, either personally or by proxy, may adjourn the Annual Meeting to another time or date.

How Many Votes Are Required to Approve Each Proposal and How Are Votes Counted?

Votes will be counted by Broadridge Financial Solutions, the Inspector of Elections appointed for the Annual Meeting.

Proposal 1: Election of Directors

A nominee will be elected as a director at the Annual Meeting if the nominee receives a plurality of the votes cast “FOR” his or her election. “Plurality” means that the individuals who receive the largest number of votes cast “FOR” are elected as directors. Broker non-votes and votes that are withheld will not be counted as votes cast on the matter and have no effect on the outcome of the election. We do not have cumulative voting rights for the election of directors.

Proposal 2: Ratification of Independent Auditor Selection

The affirmative vote of a majority of shares of common stock present or represented at the Annual Meeting is required for the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2021. Abstentions have the same effect as a vote “AGAINST” the matter. Proposal 2 is expected to be considered a routine voting matter on which brokers have discretion to vote uninstructed shares.

Who Is Paying for This Proxy Solicitation?

We will pay the costs associated with the solicitation of proxies, including the preparation, assembly, printing and mailing of the proxy materials. We may also reimburse brokers, fiduciaries or custodians for the cost of forwarding proxy materials to beneficial owners of shares of common stock held in “street name.”

Our employees, officers and directors may solicit proxies in person or via telephone or the Internet. We will not pay additional compensation for any of these services.

How Can I Find out the Voting Results?

We expect to announce preliminary voting results at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K to be filed with the SEC within four business days after the Annual Meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

At the Annual Meeting, the stockholders will vote to elect the two Class II director nominees named in this Proxy Statement to serve until the 2024 Annual Meeting of Stockholders or until their successors are duly elected and qualified. Our Board has unanimously nominated Steven Altschuler, M.D. and Michael Hayden, M.B. Ch.B., Ph.D. for election to our Board. Dr. Altschuler was recommended for appointment to the Board in March 2020 by a third-party search firm, and Dr. Hayden has served on our Board since prior to our initial public offering in 2019.

The director nominees have indicated that they are willing and able to serve as directors. However, if any of the director nominees becomes unable or, for good cause, unwilling to serve, proxies may be voted for the election of such other person as shall be designated by our Board, or the Board may decrease the size of the Board.

Information Regarding Director Nominees and Continuing Directors

Our Board is divided into three classes, with members of each class holding office for staggered three-year terms. There are currently two Class I directors, whose terms expire at the 2023 Annual Meeting of Stockholders and who were previously elected by stockholders at the 2020 Annual Meeting of Stockholders; two Class II directors, who are up for election for a term expiring at the 2024 Annual Meeting of Stockholders; and three Class III directors, whose terms expire at the 2022 Annual Meeting of Stockholders (in all cases until their successors have been elected and qualified or until the earlier of their resignation or removal).

The Board recommends a vote “**FOR**” the election of each of the Class II director nominees set forth above.

PROPOSAL 2: RATIFICATION OF AUDITOR SELECTION

Our Audit Committee has selected KPMG LLP (“KPMG”) as the Company’s independent registered public accounting firm for the year ending December 31, 2021. In this Proposal 2 we are asking stockholders to vote to ratify this selection. Representatives of KPMG are expected to be present at the Annual Meeting. They will have the opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions from stockholders.

Stockholder ratification of the selection of KPMG as the Company’s independent registered public accounting firm is not required by law or our bylaws. However, we are seeking stockholder ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, our Audit Committee will reconsider its selection. Even if the selection is ratified, the committee, in its discretion, may direct the selection of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

KPMG served as our independent registered public accounting firm for the year ended December 31, 2020, and Deloitte & Touche LLP (“Deloitte”) served as our independent registered public accounting firm for the year ended December 31, 2019. The following table summarizes the fees KPMG (on or after April 17, 2020) and Deloitte (before April 17, 2020) billed to us for each of the last two fiscal years. All services associated with such fees were pre-approved by our Audit Committee in accordance with the “Pre-Approval Policies and Procedures” described below.

Fee Category	Year Ended December 31,	
	2020	2019
Audit Fees(1)	\$ 633,060	\$ 546,387
Audit-Related Fees	—	—
Tax Fees(2)	—	120,549
All Other Fees	—	—
Total Fees	<u>\$ 633,060</u>	<u>\$ 666,936</u>

- (1) Consists of fees for the audit of our annual financial statements, reviews of quarterly financial statements included in Quarterly Reports on Form 10-Q and services provided in connection with SEC filings, including consents and comment and comfort letters.
- (2) Consists of fees billed primarily for professional services for tax compliance, tax advice and tax planning.

Pre-Approval Policies and Procedures

Our Audit Committee has adopted procedures requiring the pre-approval of all audit and non-audit services performed by our independent registered public accounting firm in order to assure that these services do not impair the auditor’s independence. These procedures generally approve the performance of specific services subject to a cost limit for all such services. This general approval is reviewed, and if necessary modified, at least annually. Management must obtain the specific prior approval of the committee for each engagement of our auditor to perform audit-related or other non-audit services. The committee does not delegate its responsibility to approve services performed by our auditor to any member of management. The committee has delegated authority to the committee chair to pre-approve any audit or non-audit service to be provided to us by our auditor provided that the fees for such services do not exceed \$100,000. Any approval of services by the committee chair pursuant to this delegated authority must be reported to the committee at its next regularly scheduled meeting.

Recent Changes in Independent Registered Public Accounting Firm

Dismissal of Deloitte

As previously reported on the Current Report on Form 8-K filed with the SEC on April 23, 2020, following a competitive process with several participants, the Audit Committee on April 17, 2020 dismissed Deloitte as the Company's independent registered public accounting firm, effective as of that date. Deloitte's audit report on our consolidated financial statements for the year ended December 31, 2019, the only year for which Deloitte audited the Company's financial statements, did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. Deloitte expressed no opinion on the effectiveness of the Company's internal control over financial reporting, as the Company was not required to have, nor did the Company engage Deloitte to perform, an audit of the Company's internal control over financial reporting. During the Company's fiscal year ended December 31, 2019 and the subsequent interim period through (and including) April 16, 2020, there were (i) no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference to the subject matter of the disagreements in its report on the Company's consolidated financial statements for such year, and (ii) no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K, except as set forth in the following sentence. As previously disclosed under Item 9A of the Company's Annual Report on Form 10-K for the year ended December 31, 2019, during the audit of the consolidated financial statements for the period from January 18, 2018 (inception) to December 31, 2018, the Company reported material weaknesses in its internal controls over financial reporting relating to (1) the lack of employees with sufficient expertise in U.S. generally accepted accounting principles, and (2) the lack of risk assessment procedures. These issues have been remediated as of December 31, 2020.

Appointment of KPMG LLP

The Audit Committee, on and effective as of April 17, 2020, appointed KPMG as 89bio's independent registered public accounting firm for the year ended December 31, 2020. During the fiscal years ended December 31, 2018 and December 31, 2019 and the subsequent interim periods through April 16, 2020, neither the Company nor anyone acting on its behalf consulted with KPMG, regarding either: (i) the application of accounting principles to a specific transaction, completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report nor oral advice was provided to the Company that KPMG concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a "disagreement" (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a "reportable event" (as described in Item 304(a)(1)(v) of Regulation S-K).

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2020 with the Company's management and with KPMG, the Company's independent registered public accounting firm. The Audit Committee has discussed with KPMG the matters required to be discussed by the applicable standards of the Public Company Accounting Oversight Board ("PCAOB") and the SEC. The Audit Committee has also received the written disclosures and the letter from KPMG pursuant to applicable PCAOB requirements regarding its communications with the Audit Committee concerning independence, and the Audit Committee has discussed with KPMG its independence. Based on the foregoing, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2020 for filing with the SEC.

This report is provided by the following directors, who serve on the Audit Committee:

Steven Altschuler, M.D.
Derek DiRocco, Ph.D.
Michael Hayden, M.B. Ch.B., Ph.D.
Lota Zoth, C.P.A. (Chair)

Board Recommendation

The Board recommends a vote “**FOR**” the ratification of the selection of KPMG to serve as our independent auditor.

CORPORATE GOVERNANCE

Our business affairs are managed under the direction of our Board. Our Board has adopted a set of Principles of Corporate Governance as a framework for the governance of the Company, which is posted on our website located at <https://IR.89bio.com>, under “Corporate Governance.”

Board Composition

Director Nomination Process

The Nominating Committee is responsible for, among other things, overseeing succession planning for directors and ensuring that we have a qualified board to oversee management’s execution of the Company’s strategy and safeguard the long-term interests of stockholders. In this regard, the committee is charged with developing and recommending Board membership criteria to the Board for approval, evaluating the composition of the Board annually to assess the skills and experience that are currently represented on the Board and the skills and experience that the Board may find valuable in the future, and identifying, evaluating and recommending potential director candidates.

In identifying potential candidates for Board membership, the Nominating Committee considers recommendations from directors, stockholders, management and others, including, from time to time, third-party search firms to assist it in locating qualified candidates. The committee does not distinguish between nominees recommended by stockholders and other nominee recommendations. Once potential director candidates are identified, the committee, with the assistance of management, undertakes a vetting process that considers each candidate’s background, independence and fit with the Board’s priorities. As part of this vetting process, the committee, as well as other members of the Board and the CEO, may conduct interviews with the candidates. If the committee determines that a potential candidate meets the needs of the Board and has the desired qualifications, it recommends the candidate to the full Board for appointment or nomination and to the stockholders for election at the annual meeting.

Criteria for Board Membership

In assessing potential candidates for Board membership, and in assessing Board composition, the Nominating Committee considers a wide range of factors, including directors’ experience, knowledge, integrity, understanding of our business environment and specific skills they may possess that are helpful to the Company (including leadership experience, financial expertise and industry knowledge). The committee seeks to balance the experience, skills and characteristics represented on the Board and does not assign specific weight to any of these factors. In addition, the committee generally believes it is important for all Board members to possess the highest personal and professional ethics, integrity and values, an inquisitive and objective perspective, a sense for priorities and balance, the ability and willingness to devote sufficient time and attention to Board matters, and a willingness to represent the long-term interests of all our stockholders.

While we do not have a formal written policy regarding diversity in identifying director candidates, the Nominating and Corporate Governance Committee seeks to achieve a diversity of occupational and personal backgrounds on the Board, including with respect to gender, race/ethnicity and sexual orientation, and assesses its effectiveness in this regard in connection with its annual review of the Board’s composition.

Stockholder Recommendations for Directors

It is the Nominating Committee’s policy to consider written recommendations from stockholders for nominees for director. The committee considers nominees recommended by our stockholders in the same manner as a nominee recommended by our Board members or management. Any such recommendations should be submitted to the committee as described in the section titled “Stockholder Communications” below and should include the following information: (i) all information about the nominee that is required to be disclosed pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (including such nominee’s written consent to being named in the proxy statement as a director nominee and to serving as a director, if elected); (ii)

such person's written consent to serving as a director, if elected, for the full term for which such person is standing for election; (iii) the name(s) and address(es) for each stockholder of record and beneficial owner of shares of common stock held in "street name" making the nomination and the number of shares of common stock that are owned beneficially and of record by each such stockholder and beneficial owner of shares of common stock held in "street name"; and (iv) such stockholder's representation that he or she (or a qualified representative) intends to appear at the meeting to make such nomination.

Board Leadership Structure

In March 2020, we appointed Dr. Steven M. Altschuler to serve as a director and as our independent Chairman. Our Principles of Corporate Governance provide our Board with the flexibility to combine or separate the positions of Chairman of the Board and Chief Executive Officer. Currently, the Board believes that the roles of Chairman and CEO should be separate and that the Chairman should be an independent director as this structure enables our independent Chairman to oversee corporate governance matters and our CEO to focus on leading the Company's business. At any time when there is not an independent Chairman, the Board will designate one or more independent directors to serve as lead director.

The independent directors generally meet in executive sessions without management present at every regular Board meeting. The purpose of these executive sessions is to encourage and enhance communication among non-management and independent directors.

The Board believes that its programs for overseeing risk, as described in the "Board Risk Oversight" section below, would be effective under a variety of leadership frameworks. Accordingly, the Board's risk oversight function did not significantly impact its selection of the current leadership structure.

Director Independence

Nasdaq listing rules require a majority of a listed company's board of directors to be comprised of independent directors who, in the opinion of the board of directors, do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Subject to specified exceptions, each member of a listed company's audit, compensation and nominating committees must be independent, and audit and compensation committee members must satisfy additional independence criteria under the Exchange Act.

Our Board undertook a review of its composition and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, our Board has determined that each of our current directors listed above under "Information Regarding Director Nominees and Continuing Directors," with the exception of Rohan Palekar, is an "independent director" as defined under the Nasdaq listing rules. Mr. Palekar is not an independent director because he is our chief executive officer. In making such determinations, our Board considered the relationships that each such non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director. Our Board also determined that each of the directors currently serving on the Audit Committee and the Compensation Committee satisfy the additional independence criteria under the Exchange Act.

Board Committees

Our Board has a separately designated Audit Committee, Compensation Committee, Nominating Committee and Science Committee, each of which is comprised solely of independent directors with the membership and responsibilities described below. Members serve on the committees until their resignation or until otherwise determined by our board of directors. Each of these committees is empowered to retain outside advisors as it deems appropriate, regularly reports its activities to the full Board and has a written charter that is posted on our website located at <https://IR.89bio.com>, under “Corporate Governance.”

(1) Committee formed in 2020.

Audit Committee. The primary responsibilities of our Audit Committee are to oversee the accounting and financial reporting processes of the Company and its subsidiaries, including the audits of the Company’s financial statements and the integrity of the financial statements and annual review of the performance, effectiveness and independence of the outside auditor. This includes reviewing the financial information provided to stockholders and others and the adequacy and effectiveness of the Company’s internal controls. The committee also makes recommendations to the Board as to whether financial statements should be included in the Company’s Annual Report on Form 10-K.

Ms. Zoth qualifies as an “audit committee financial expert,” as that term is defined in the rules and regulations established by the SEC, and all members of the Audit Committee are “financially literate” under Nasdaq listing rules.

Compensation Committee. The primary responsibilities of our Compensation Committee are to periodically review and approve the compensation and other benefits for our senior officers and directors. This includes reviewing and approving corporate goals and objectives relevant to the compensation of our senior officers, evaluating the performance of these officers in light of the goals and objectives, and setting the officers’ compensation based on those evaluations. The committee also administers and makes recommendations to the Board regarding equity incentive plans that are subject to the Board’s approval and approves the grant of equity awards under the plans.

The Compensation Committee may delegate its authority to one or more subcommittees or to one member of the committee. The committee may also delegate authority to review and approve the compensation of our employees to certain of our executive officers. Even where the committee does not delegate authority, our executive officers will typically make recommendations to the committee regarding compensation to be paid to our employees and the size of equity awards under our equity incentive plans, but will not be present during voting or deliberations on their own compensation. The committee has the authority to engage independent advisors, such as compensation consultants, to assist it in carrying out its responsibilities. The Compensation Committee engaged Kara Halvorsen Consulting LLC, Aon Hewitt/Radford and Zviran Compensation and Benefit Solutions Ltd. in 2020 to provide advice regarding the amount and form of executive and director compensation.

Nominating Committee. The primary responsibilities of our Nominating Committee are to engage in succession planning for the Board, develop and recommend to the Board criteria for identifying and evaluating qualified director candidates, and make recommendations to the Board regarding candidates for election or

reelection to the Board at each annual stockholders' meeting. In addition, the committee is responsible for overseeing our corporate governance practices and making recommendations to the Board concerning corporate governance matters. The committee is also responsible for making recommendations to the Board concerning the structure, composition and functioning of the Board and its committees.

Science Committee. The primary responsibilities of our Science Committee are to assist management in identifying and assessing business development opportunities from a scientific and technical perspective. In addition, the Science Committee is responsible for making recommendations to the Board regarding research and development strategies and opportunities.

Board Risk Oversight

We believe that risk management is an important part of establishing and executing on the Company's business strategy. Our Board, as a whole and at the committee level, focuses its oversight on the most significant risks facing the Company and on its processes to identify, prioritize, assess, manage and mitigate those risks. The committees oversee specific risks within their purview, as follows:

- **The Audit Committee** is responsible for overseeing management of risks related to our accounting and financial reporting processes.
- **The Compensation Committee** is responsible for overseeing management of risks related to our compensation policies and programs.
- **The Nominating Committee** is responsible for overseeing management or risks related to our operations and corporate governance.
- **The Science Committee** is responsible for overseeing management of risks relating to our research and development programs.

Our Board and its committees receive regular reports from members of the company's senior management on areas of material risk to the company, including strategic, operational, financial, legal and regulatory risks. While our Board has an oversight role, management is principally tasked with direct responsibility for management and assessment of risks and the implementation of processes and controls to mitigate their effects on the company.

Other Corporate Governance Practices and Policies

Director Attendance

The Board met nine times during the year ended December 31, 2020. During the last year, each current member of the Board attended at least 75% of the aggregate number of meetings of the Board and the committees on which he or she served during the period in which he or she was on the Board or committee. Directors are encouraged to attend the annual meeting of stockholders. All of our directors then serving on the Board attended the 2020 Annual Meeting of Stockholders.

Stockholder Communications

Stockholders and other interested parties may communicate with our Board or a particular director by sending a letter addressed to the Board or a particular director to our Corporate Secretary at the address set forth on the first page of this Proxy Statement. These communications will be compiled and reviewed by our Corporate Secretary, who will determine whether the communication is appropriate for presentation to the Board or the particular director. The purpose of this screening is to allow the Board to avoid having to consider irrelevant or inappropriate communications (such as advertisements, solicitations and hostile communications).

To enable the Company to speak with a single voice, as a general matter, senior management serves as the primary spokesperson for the Company and is responsible for communicating with various constituencies, including

stockholders, on behalf of the Company. Directors may participate in discussions with stockholders and other constituencies on issues where Board-level involvement is appropriate. In addition, the Board is kept informed by senior management of the Company's stockholder engagement efforts.

Code of Conduct

Our Board has adopted a Code of Business Conduct and Ethics that establishes the standards of ethical conduct applicable to all our directors, officers, and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. It addresses, among other matters, compliance with laws and policies, conflicts of interest, corporate opportunities, regulatory reporting, external communications, confidentiality requirements, insider trading, proper use of assets, and how to report compliance concerns.

A copy of the code is available on our website located at <https://IR.89bio.com>, under "Corporate Governance." We intend to disclose any amendments to the code, or any waivers of its requirements, on our website to the extent required by applicable rules. Our Board is responsible for applying and interpreting the code in situations where questions are presented to it.

Anti-Hedging Policy

We have a policy that prohibits our employees, officers, directors and consultants from engaging in (a) short-term trading; (b) short sales; (c) transactions involving publicly traded options or other derivatives, such as trading in puts or calls with respect to Company securities; and (d) hedging transactions.

Compensation Committee Interlocks

None of the members of our Compensation Committee has at any time during the prior three years been one of our officers or employees. None of our executive officers currently serves, or in the past fiscal year has served, as a member of our Board or Compensation Committee of any entity that has one or more executive officers serving on our Board or Compensation Committee.

Director Compensation

2020 Non-Employee Director Compensation Policy

We adopted a policy for compensating our non-employee directors with a combination of cash and equity. Under the policy, each director who is not an employee is entitled to receive cash compensation as set forth below (all such amounts paid in quarterly installments):

Annual Cash Retainers	Amount
Board membership (other than the chairman)	\$ 40,000
Chairman of the Board	\$ 70,000
<i>Additional annual retainers</i>	
Chair of the Audit Committee	\$ 15,000
Chair of the Compensation, Nominating and Science Committees	\$ 10,000
Member of the Audit Committee	\$ 7,500
Member of the Compensation and Science Committees	\$ 5,000
Member of the Nominating Committee	\$ 4,000

In addition, the Compensation Committee may in its discretion grant equity awards to any or all non-employee directors under the Amended and Restated 2019 Equity Incentive Plan (the "2019 Plan"). Such awards may include: (i) an initial, one-time equity award granted to a new non-employee director upon his or her election to our Board; (ii) equity awards granted to non-employee directors on an annual basis for their service on our Board; and/or (iii) equity awards granted to non-employee directors on an annual basis for their service in a leadership role or on a

committee of our Board. During 2020, we made initial awards of 40,000 and 20,000 stock options to each of Dr. Altschuler and Ms. Zoth, respectively, which vest in equal installments on each of the first three anniversaries of the dates of grant, subject to continued service through each such date. In addition, each director other than Ms. Zoth received an annual grant of 7,000 stock options, which vest in full on the one-year anniversary of the date of grant, subject to continued service through such date.

We reimburse all necessary and reasonable out-of-pocket expenses incurred by non-employee directors in connection with their service on our Board, subject to any applicable Company policies that may be in effect from time to time.

A non-employee director may decline all or any portion of his or her compensation by giving notice to us prior to, as the case may be, the date cash is to be paid or equity awards are to be granted.

Our Board periodically reviews our director compensation program and may revise the compensation arrangements for our directors from time to time.

Fiscal Year 2020 Non-Employee Director Compensation Table

The following table shows the compensation earned in 2020 by the non-employee directors who served on the Board during such year:

These amounts may not correspond to the actual value eventually realized by the director because the value depends on the market value of our common stock at the time the award is exercised. As of December 31, 2020, Dr. Altschuler held 47,000 outstanding stock options, of which none were exercisable, Dr. DiRocco held 14,000 outstanding stock options, of which none were exercisable, Dr. Grunberg held 14,000 outstanding stock options, of which none were exercisable, Dr. Hayden held 148,214 outstanding stock options, of which 72,516 were exercisable, Ms. Naschitz held 14,000 outstanding stock options, of which none were exercisable, and Ms. Zoth held 20,000 outstanding stock options, of which none were exercisable.

For 2020, Mr. Palekar’s annualized base salary was \$530,000, Dr. Mansbach’s annualized base salary was \$420,000, and Mr. Le-Nguyen’s annualized base salary was \$370,000, all of which were increased from the levels in effect during 2019 as part of the annual review process in consultation with Aon Radford, our independent compensation consultant retained by the Compensation Committee of the Board of Directors. In establishing salary levels, we consider each executive’s individual experience, responsibilities and performance and market data regarding the pay levels of similarly situated executives at our peer companies. We target setting base salaries at or near the median level of similarly situated executives in our peer group, adjusting based on consideration of each executive’s individual experience, responsibilities and performance. Following the 2020 adjustments, each NEO was at or near the median of similarly situated executives using peer company data.

Annual Incentive

For fiscal year 2020, Mr. Palekar, Dr. Mansbach and Mr. Le-Nguyen were eligible to receive annual incentive bonuses determined as a percentage of base salary based upon achievement of pre-established corporate goals related to achieving topline results in connection with the NASH POC Study (weighted 40%), initiation of and enrollment in the SHTG POC Study (weighted 15%), CMC and manufacturing goals (weighted 20%), target net operating expense of \$60,300,000 (weighted 10%), corporate development goals (weighted 10%) and human resources goals (weighted 5%) and, for all NEOs other than Mr. Palekar, individual performance goals related to clinical trials, strategic planning and execution, finance and human resources, in the case of Dr. Mansbach, and operations, budget and people management, in the case of Mr. Le-Nguyen. The corporate goals were weighted 100% for Mr. Palekar and 75% for Dr. Mansbach and Mr. Le-Nguyen and the individual goals were weighted 25% for Dr. Mansbach and Mr. Le-Nguyen. Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. To our knowledge, based solely on our review of Forms 3, 4 and 5 filed with the SEC or written representations that no Form 5 was required, during

the year ended December 31, 2020 we believe that our directors, executive officers and persons who beneficially own more than 10% of a registered class of our equity securities timely filed all reports required under Section 16(a) of the Exchange Act, except that, due to administrative error, one Form 4 to report an equity grant was filed late with respect to each of Anat Naschitz, Derek DiRocco, Michael Hayden, Steven Altschuler, Gregory Grunberg and Ram Waisbourd.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a summary of each transaction or series of similar transactions since January 1, 2019, or any currently proposed transaction, to which we were or are a party in which:

- the amount involved exceeds \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years; and
- any of our directors or executive officers, any holder of 5% or more of any class of our voting capital stock or any member of his or her immediate family had or will have a direct or indirect material interest, other than compensation and other arrangements that are described under the section titled “Executive Compensation” or that were approved by our Compensation Committee.

Beneficial ownership of securities is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to such securities.

Related Party Transactions

We are a party to an investors’ rights agreement, effective as of September 17, 2019 (the “IRA”), with our stockholders who previously held our Series A convertible preferred shares, including our 5% stockholders and entities affiliated with our directors. The IRA provides these holders the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Other than the IRA and the compensation arrangements for our named executive officers and directors, which are described elsewhere in the “Executive Compensation” and “Director Compensation” sections of this Proxy Statement, we have not been a party to any related party transaction since January 1, 2019.

Related Person Transaction Policy

We have adopted a written related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy, a related person transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which (i) the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year end for the last two completed fiscal years, (ii) the Company or any of our subsidiaries is a participant and (iii) any related person has or will have a direct or indirect interest. A related person is any executive officer, director or nominee for election as director, or beneficial owner of more than 5% of our common stock, including any of their immediate family members. Transactions involving compensation for services provided to us as an employee or director, among other limited exceptions, are deemed to have standing pre-approval by the Audit Committee but may be specifically reviewed if appropriate in light of the facts and circumstances.

Under the policy, if a transaction has been identified as a related person transaction, our Audit Committee must review the material facts and either approve or disapprove of the entry into the transaction. If advance approval of the transaction is not feasible, then the transaction will be considered and, if the Audit Committee determines it to be appropriate, ratified at the next regularly scheduled meeting. In addition, under our Code of Business Conduct and Ethics, our employees and directors have an affirmative responsibility to avoid activities that create or give the appearance of a conflict of interest, and directors and executive officers must consult and seek prior approval of potential conflicts of interest from the Audit Committee. In considering related party transactions, our Audit Committee will take into account the relevant available facts and circumstances including, but not limited to:

- whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third- party under the same or similar circumstances; and
- the extent of the related person’s interest in the transaction.

Such nominations or proposals may or may not be included in the proxy statement.

Any stockholder proposal must be a proper matter for stockholder action and must comply either with Rule 14a-8 of the Exchange Act or the terms and conditions set forth in our bylaws, as applicable.

Delivery of Documents to Stockholders Sharing an Address

A number of brokerage firms have adopted a procedure approved by the SEC called "householding." Under this procedure, certain stockholders who have the same address and do not participate in electronic delivery of proxy materials will receive only one copy of the proxy materials, including this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2020, until such time as one or more of these stockholders notifies us that they wish to receive individual copies. This procedure helps to reduce duplicate mailings and save printing costs and postage fees, as well as natural resources. If you received a "householding" mailing this year and would like to have additional copies of the proxy materials mailed to you, please send a written request to our Corporate Secretary at the address set forth on the first page of this Proxy Statement, or call (415) 500-4614, and we will promptly deliver the proxy materials to you. Please contact your broker if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future, or if you would like to opt out of "householding" for future mailings.

Availability of Additional Information

We will provide, free of charge, a copy of our Annual Report on Form 10-K for the year ended December 31, 2020, including exhibits, on the written or oral request of any stockholder of the Company. Please send a written request to our Corporate Secretary at the address set forth on the first page of this Proxy Statement or call (415) 500-4614.
